Who Ali Reviews is for

- ✓ Fits if you drop-ship and want supplier reviews on your product pages
- ✓ Works for Shopify stores that want reviews in several languages

Who it is not for

- ✗ Skip it if you're not on Shopify, since the pages describe no other platform
- ✗ Tight if you're staying free: 10 published reviews per product and no photo or video reviews
- ✗ Watch out: the cap is 150 on Basic and 1,500 on Growth, and only Advanced is unlimited
- ✗ Watch out: only monthly prices could be read, so yearly savings aren't known

Good to know

Good for

- ✓ Dropshipping stores that seed products with imported reviews
- ✓ Shopify stores selling in several languages
- ✓ New stores that want a free plan to start

Worth knowing

- ⓘ Built for Shopify stores; the pages describe no other store platform.
- ⓘ Published reviews per product are capped by plan, at 10, 150 and 1,500, and only Advanced is unlimited.
- ⓘ Photo and video reviews, Q&A and the Google shopping feed are not on the free plan.
- ⓘ The yellow-billing prices could not be read from the pricing page, so monthly prices are recorded.

PART 04 · STANDING

Where it stands

Its grades against its category, and whether to keep it or make your own

35/63

Other customer review tools it is graded above

Ali Reviews's GPA of 2.4 is higher than 35 of the 63 other customer review tools we grade, and level with 19.

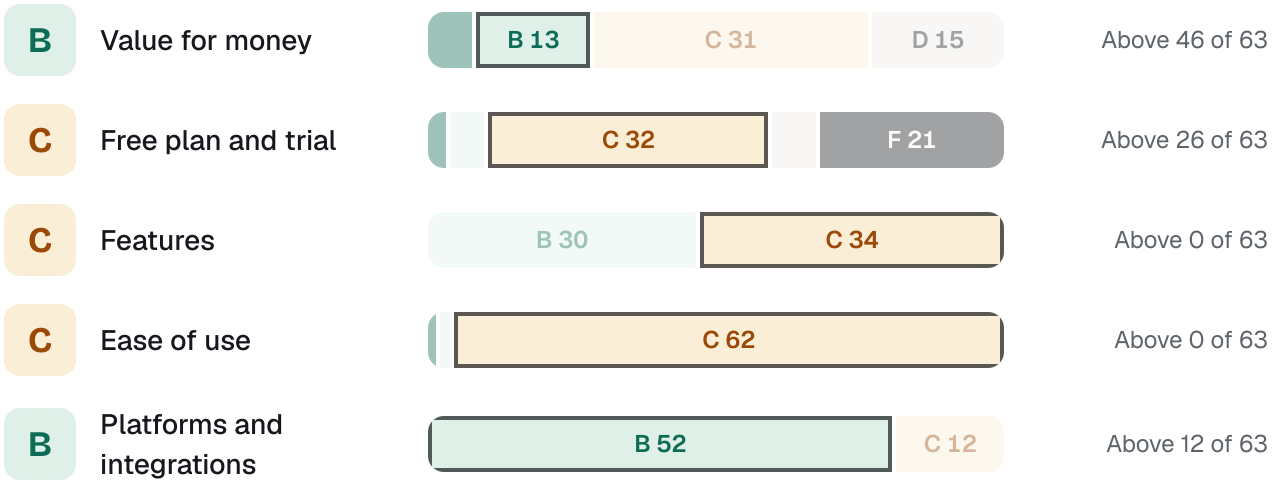

It stands best on value for money (B, above 46 of 63) and worst on features (C, above 0).

Its paid plans start at $14.95 a month, against a middle price of $29 for the category: 10 of the 50 others that charge start lower.

On features, ease of use and platforms it scores 2.3 out of 4. 3 tools score higher and cost less.

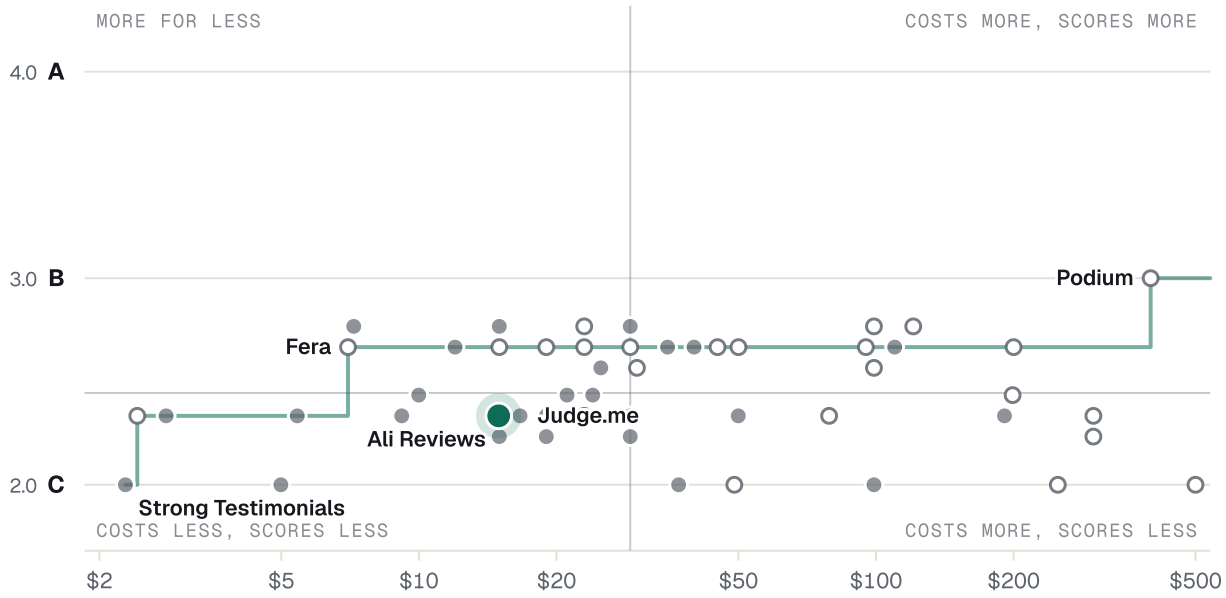

Each grade against the category

Every bar is all 64 customer review tools we grade, cut by the letter each got. Ali Reviews's own letter is outlined.

Price against what you get

Each dot is one of 51 customer review tools. Further left costs less; higher up scores better on features, ease of use and platforms. Ali Reviews is the marked dot.

Keep it, or make your own?

Whether this is something you could build for yourself with an AI app builder, and what you would give up.

Keep it

To replace Ali Reviews you would be making checkout, card payments and sales tax handled for you. That is not a weekend's work, with an AI app builder or without one.

It costs $179.40 a year.

What you could make

- Review collection: an app builder makes this well.

What you could not

- Checkout, card payments and sales tax handled for you.

- ✕ Suppliers who ship each order for you.
- ✕ AI features, unless you pay a model provider for each request yourself.
- ✕ Hooks into the device itself: widgets.

What this rests on. Ali Reviews's listing: what it does, where it runs, what it plugs into and what it costs. It is a judgement about the kind of software this is. We have not built a replacement for it, and making your own means looking after it too. How we decide, and every tool's verdict.
