Welcome

What it is, who it suits, its grades and the ten things to know first

2.0

GPA, above 27 of the 60 other therapy and clinic software we grade

AlohaABA is cloud-based practice management software for applied behavior analysis (ABA) therapy organizations. It covers scheduling, authorizations, claim billing, accounts receivable, payroll and reports in one system, with an optional data collection module for session data. The vendor also sells managed billing as a separate service.

To get you started, here are **9 things to know about AlohaABA**, taken from its own pages and our grades.

> **No store rating on record, and a practice system with billing and authorizations needs setting up first.**
>
> From our grade for ease of use

1 **Best for ABA practices that want a published price**

AlohaABA does scheduling, authorizations, claim billing and payroll for ABA practices at $29.99 per staff a month, and it is one of few in its category that shows a price.

2 **Paid plans start at $29.99 a month**

As its pricing page puts it: $29.99 per staff / month.

3 **You can try it first**

Free 30-day trial

4 **It runs on Web**

Web.

5 **Scheduling**

Appointment scheduling for ABA staff and clients, included in the Practice Management plan.

6 **Billing and accounts receivable**

Claim tracking and an AR manager that follows claims and payments through revenue cycle management.

7 **Authorization management**

Tools to track payer authorizations alongside sessions and billing.

8 **A 2.0 GPA, above 27 of 60**

That is against the other therapy and clinic software we grade, on value, the free plan, features, ease of use and platforms.

9 **Keep it**

To replace AlohaABA you would be making insurance claims sent to payers through a clearinghouse. That is not a weekend's work, with an AI app builder or without one.

SUBJECT	GRADE	COMMENT
Value for money	C	$29.99 per staff a month sits between the category's cheaper quarter at $27 and its middle at $39, before the $10 per client data collection add-on.
Free plan and trial	C	30-day free trial; the page does not say whether a card is needed.
Features	C	Scheduling, billing, accounts receivable, payroll and reports, but data collection is a paid add-on only sold with Practice Management and managed billing is priced separately.
Ease of use	C	No store rating on record, and a practice system with billing and authorizations needs setting up first.
Platforms and integrations	C	Web only; the pages read list no native mobile apps and no integrations.
Grade point average		Fair, out of 4.0 **2.0**

An A is worth 4 points, a B 3, a C 2, a D 1 and an F nothing. The GPA is the average of the five.

Who AlohaABA is for

- ✓ Fits if you run an ABA practice and want a published per-staff price
- ✓ Works for practices that will pair Practice Management with the data collection module

Who it is not for

- ✗ Tight if you collect session data, as it is $10 per client a month and only sold alongside Practice Management
- ✗ Watch out: the page does not say whether the staff price is billed monthly or yearly
- ✗ Watch out: managed billing is a separate service and its price is not on the pricing page
- ✗ Skip it if you need a phone app, as the pages read list no native mobile apps

Good to know

Good for

- ✓ ABA therapy organizations that want billing, scheduling and payroll in one system
- ✓ Practices that prefer a flat per-staff price with unlimited clients

Worth knowing

- ⓘ Data collection is sold only to practices that also use Practice Management, at an extra per-client price.
- ⓘ The pricing page does not say whether the staff price is billed monthly or annually.
- ⓘ Managed billing services are priced separately and are not on the pricing page.
- ⓘ The pages read do not list native mobile apps.

PART 04 · STANDING

Where it stands

Its grades against its category, and whether to keep it or make your own

27/60

Other therapy and clinic software it is graded above

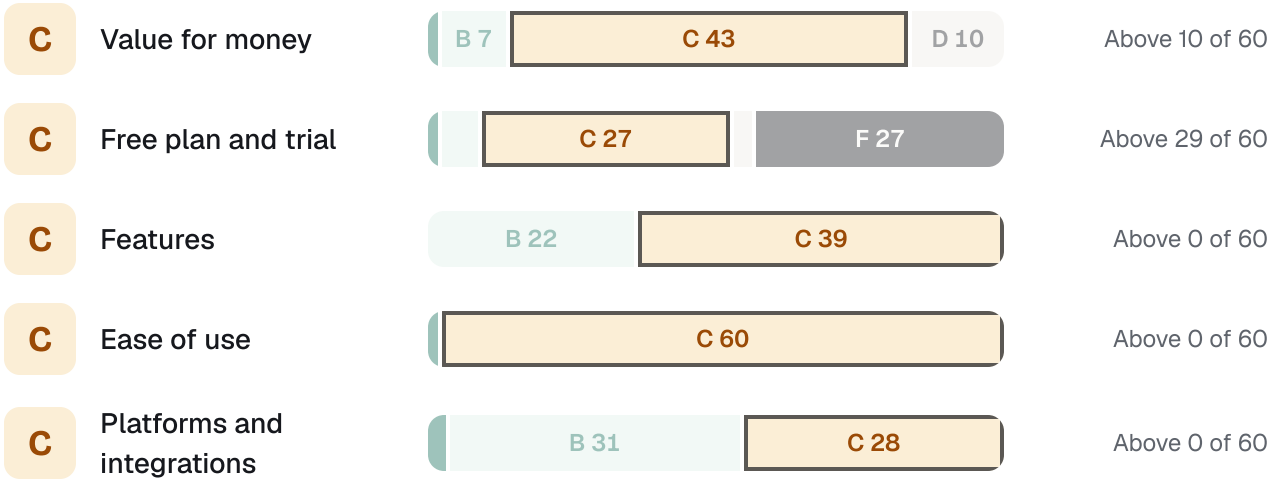

AlohaABA's GPA of 2.0 is higher than 27 of the 60 other therapy and clinic software we grade, and level with 6.

Its paid plans start at $29.99 a month, against a middle price of $35.75 for the category: 12 of the 32 others that charge start lower.

On features, ease of use and platforms it scores 2.0 out of 4. 10 tools score higher and cost less.

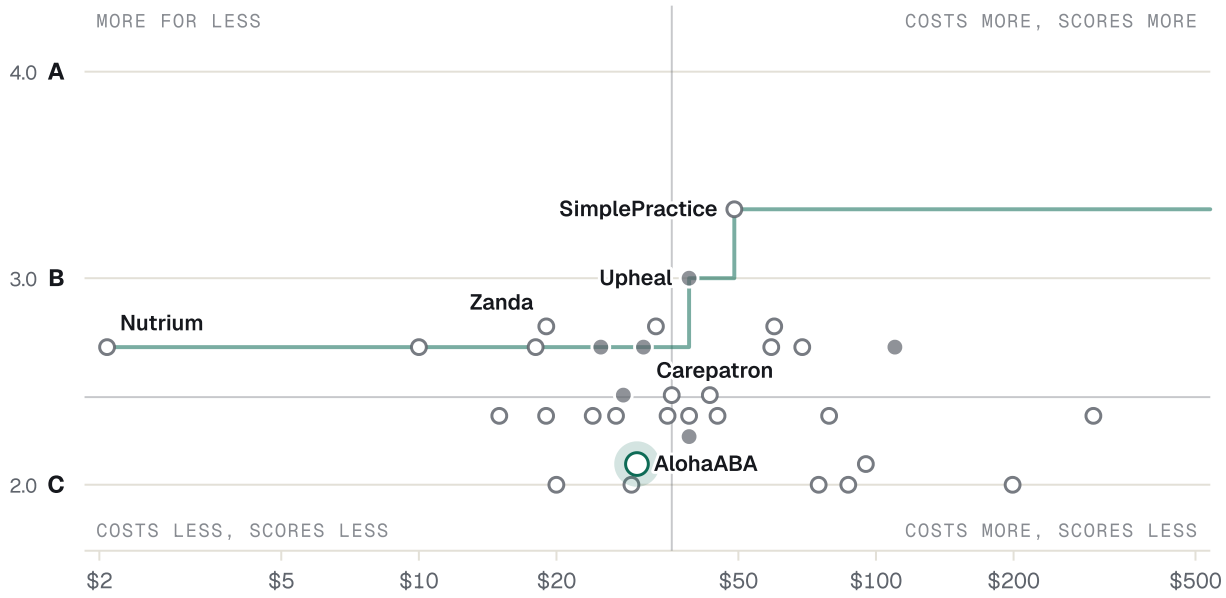

Each grade against the category

Every bar is all 61 therapy and clinic software we grade, cut by the letter each got. AlohaABA's own letter is outlined.

Price against what you get

Each dot is one of 33 therapy and clinic software. Further left costs less; higher up scores better on features, ease of use and platforms. AlohaABA is the marked dot.

What paid plans start at, a month (each step along is roughly double)

Keep it, or make your own?

Whether this is something you could build for yourself with an AI app builder, and what you would give up.

Keep it

To replace AlohaABA you would be making insurance claims sent to payers through a clearinghouse. That is not a weekend's work, with an AI app builder or without one.

It costs $359.88 a year.

What you could make

- Reports: an app builder makes this well.

What you could not

- Insurance claims sent to payers through a clearinghouse.

	× Payroll taxes worked out and filed with the government for you.

What this rests on. AlohaABA's listing: what it does, where it runs, what it plugs into and what it costs. It is a judgement about the kind of software this is. We have not built a replacement for it, and making your own means looking after it too. How we decide, and every tool's verdict.
