Who Inkedjoy is for

- ✓ Fits if you sell personalized gifts or all-over-print apparel on Etsy or Shopify
- ✓ Works for sellers who want no monthly fee and no minimum order

Who it is not for

- ✗ Watch out: shipping can be a large share of the cost on gift items and varies by destination
- ✗ Pricey if you order in small volumes, as the better discounts go to large orders
- ✗ Skip it if you sell on BigCommerce, Wix or another platform, as only three store connections are listed
- ✗ Tight if you want published per-item costs, since they are shown product by product

Good to know

Good for

- ✓ Etsy and Shopify sellers of personalized gifts
- ✓ Sellers who want a supplier with no monthly fee
- ✓ Shops that want all-over-print apparel and home items

Worth knowing

- ⓘ There is no subscription, but each order carries a product cost and shipping charge, for example a personalized flower shadow box listed at USD 5.52 with shipping from USD 12.66.
- ⓘ Shipping costs vary by item and destination and can be a large share of the cost on gift items.
- ⓘ The site says the more large orders, the better the discount, so unit costs fall with volume.

What you could not
