Who Jackrabbit Class is for

- ✓ Fits if you run a gymnastics, swim, dance or cheer program with many weekly classes
- ✓ Works for centers that want a parent portal and can archive inactive families to keep the billed count down

Who it is not for

- ✕ Pricey if you have many students, as the price rises with the count each month and the page shows only the entry price
- ✕ Watch out: a branded parent app needs Plus, with a $169 non-refundable setup fee plus app store fees
- ✕ Watch out: payment processing and other partner fees are billed separately
- ✕ Skip it if you run adult fitness or salon booking, as it is described for youth activity centers
- ✕ Not for you if you want a free start, as no free plan or trial is listed

Good to know

Good for

- ✓ Gymnastics, swim, dance and cheer programs with many weekly classes
- ✓ Centers that want a branded parent app and are willing to pay for it
- ✓ Programs that can archive inactive families to keep the billed count down

Worth knowing

- ⓘ The price rises with student count at the end of each month; the page shows only the entry price.
- ⓘ A custom-branded app needs Jackrabbit Plus, which adds a $169 non-refundable setup fee plus app store fees.
- ⓘ Partner fees such as payment processing are set by the partners and billed separately, apart from Twilio and Plus.
- ⓘ The page describes it for youth activity centers, so adult fitness or salon booking is outside its focus.
