Welcome

What it is, who it suits, its grades and the ten things to know first

2.2

GPA, above 17 of the 47 other cold outreach tools we grade

Regie.ai now sells RegieGO, an AI prospecting platform that reads a company's website to suggest target buyers, enriches their contact details, and drafts emails and call scripts for review. Messages go out from your own Gmail or Outlook, and a built-in CRM is free on every plan. Usage is metered in credits that renew each billing period on paid plans.

To get you started, here are **9 things to know about Regie.ai**, taken from its own pages and our grades.

> **Credits, a target-buyer search and review of drafts all take a learning curve.**
>
> From our grade for ease of use

1 **Best for AI prospecting and drafted outreach**

It runs on credits that don't roll over, and the old sales-engagement features are not on the current pricing page.

2 **Paid plans start at $41 a month**

As its pricing page puts it: $41 per month, billed annually ($49 billed monthly).

3 **You can try it first**

Free plan: 250 one-time credits per person, no card; they do not refill

4 **It runs on Web**

Web.

5 **ICP from your website**

RegieGO reads your site and suggests the companies and roles to target, which you refine in chat.

6 **Waterfall enrichment**

Emails and phone numbers are found through waterfall enrichment, and enrichment that finds nothing costs no credits.

7 **Research and drafting**

It researches each account and buyer and drafts emails and call scripts in your pitch and voice for you to approve.

8 **A 2.2 GPA, above 17 of 47**

That is against the other cold outreach tools we grade, on value, the free plan, features, ease of use and platforms.

9 **Keep it**

To replace Regie.ai you would be making an AI agent, with the models and the safeguards behind it. That is not a weekend's work, with an AI app builder or without one.

Who Regie.ai is for

- ✓ Fits if you want AI to find buyers and draft outreach for you to review
- ✓ Works for one salesperson on Pro

Who it is not for

- ✕ Tight if you stay free: 250 credits once, never refilled
- ✕ Watch out: paid credits don't roll over and extra ones can't be bought separately
- ✕ Pricey if you add people, since Team is $125 a seat with 2 seats minimum
- ✕ Skip it if you expected the old Regie.ai sequence tools, which aren't on the page

Good to know

Good for

- ✓ Founders and first sales hires who need to find buyers quickly
- ✓ Individual reps who want research and drafting done for them
- ✓ Teams that want a free CRM alongside outreach

Worth knowing

- ⓘ Credits cover research, drafting, enrichment and dialing; paid-plan credits do not roll over and extra credits cannot be bought separately.
- ⓘ Free allows up to 10 people but gives each person only a one-time 250 credits.
- ⓘ Pro is for one person; two or more paid users need Team with at least two seats.
- ⓘ The product was repositioned as RegieGO, so older Regie.ai sales-engagement features are not on the current pricing page.
