Welcome

What it is, who it suits, its grades and the ten things to know first

2.0

GPA, above 7 of the 45 other resume builders we grade

Resumonk is an online resume and cover letter builder that rewrites an uploaded resume with AI and exports it as a PDF or Word file. The paid plans add per-job resume rewrites, background job searches and, on the top plan, drafted messages to people at target companies.

To get you started, here are **9 things to know about Resumonk**, taken from its own pages and our grades.

1 **Best for rewriting an existing resume and tracking job matches**

Resumonk rewrites an uploaded resume with AI and drops it into one of its templates.

2 **Paid plans start at $20 a month**

As its pricing page puts it: $20 per month, billed monthly ($16 a month on the quarterly term).

3 **There is a free plan**

5 **AI rewrite of an existing resume**

An uploaded resume or rough notes are rewritten and laid out in a template. The free plan includes one improve pass; paid plans list AI improvements with no monthly count.

6 **Templates and exports**

Six templates are open on the free plan and all 21 on paid plans. DOCX export covers 14 of the 21 templates.

7 **Per-job rewrites and cover letters**

Paid plans rewrite the resume for each job and help prepare the application, with unlimited cover letters.

8 **A 2.0 GPA, above 7 of 45**

That is against the other resume builders we grade, on value, the free plan, features, ease of use and platforms.

9 **Your call**

The report card

Best for rewriting an existing resume and tracking job matches

Resumonk rewrites an uploaded resume with AI and drops it into one of its templates. That part is plain enough. But the free PDF carries a Resumonk footer, clean downloads and cover letters need a paid plan, and DOCX export works on only 14 of the 21 templates. If you want a clean file for nothing, look elsewhere.

TOOLGPA REPORT CARD

Resumonk

Graded Nov 13, 2026

SUBJECT	GRADE	COMMENT
Value for money	C	Professional is $20 a month, or about $16 a month if you pay every three months. The category's middle is $14.41, so this sits a little above it, and the extras are job searches rather than resume tools.
Free plan and trial	C	Free covers 1 resume, 6 templates, a PDF with a small footer, 1 AI improve pass and 1 job rewrite. You will use that up in an afternoon.
Features	C	It builds resumes, cover letters and per-job rewrites, but the pricing page says it does not apply to jobs for you. A resume builder first, with job alerts bolted on.
Ease of use	C	Nothing on record puts a rating on it, and building a resume from a template is a bit of work, so it sits at the ordinary C.
Platforms and integrations	C	Runs in a browser, with a LinkedIn import. No phone or desktop app, and no API, is listed.

Grade point average Fair, out of 4.0 **2.0**

An A is worth 4 points, a B 3, a C 2, a D 1 and an F nothing. The GPA is the average of the five.

Who Resumonk is for

- ✓ Fits if you have an old resume and want it rewritten and reformatted in one go
- ✓ Works for people who want saved job searches in the same subscription as the resume

Who it is not for

- ✗ Tight if you're staying free: 1 resume, 6 of 21 templates and a footer on the PDF
- ✗ Pricey if you want clean exports and cover letters, because both need a paid plan from $20 a month
- ✗ Watch out: DOCX export covers 14 of the 21 templates, not all of them
- ✗ Watch out: warm introductions on Executive stop at 10 a month, and the site says it won't apply to jobs for you

Good to know

Good for

- ✓ Job seekers who want an existing resume rewritten and reformatted quickly
- ✓ People who want job matches and resume tailoring in one subscription
- ✓ Anyone who wants a free PDF without a card on file

Worth knowing

- ⓘ The free PDF carries a small Resumonk footer, and DOCX export and cover letters need a paid plan.
- ⓘ DOCX export works on 14 of the 21 templates, not all of them.
- ⓘ The Executive plan's warm introductions are capped at 10 a month.
- ⓘ The pricing page says Resumonk does not apply to jobs on the user's behalf.

Keep it, or make your own?

Whether this is something you could build for yourself with an AI app builder, and what you would give up.

Your call

You could make the core of Resumonk for yourself: resume builder, templates and documents.

What you would give up is listed below. Whether that is worth the price is your call. It costs $240 a year.

What you could make

- Resume builder, templates and documents: an app builder makes these well.

What you could not

- AI features, unless you pay a model provider for each request yourself.

It runs in a browser, which is where something home-made would run too.

What this rests on. Resumonk's listing: what it does, where it runs, what it plugs into and what it costs. It is a judgement about the kind of software this is. We have not built a replacement for it, and making your own means looking after it too. How we decide, and every tool's verdict.
