Welcome

What it is, who it suits, its grades and the ten things to know first

1.6

GPA, above 0 of the 79 other event ticketing platforms we grade

Ticketmelon is an event ticketing platform used by organizers in Thailand, Malaysia, Singapore, Vietnam and nearby markets. It sells tickets and registrations online and adds box office, cashless payment, mobile point-of-sale, streaming and white-label microsite products for festivals, concerts, conferences and sports events.

To get you started, here are **7 things to know about Ticketmelon**, taken from its own pages and our grades.

2 **It runs on Web**

Web.

3 **Ticketing and registration**

Organizers sell tickets and take registrations online, with attendees paying by cards, local e-wallets or bank transfer.

4 **Box office and mobile point of sale**

In-person sales products sit alongside online selling for events that also take payments at the door.

5 **Cashless payments**

A cashless payment product is listed for use inside events, next to ticket sales.

6 **A 1.6 GPA, above 0 of 79**

That is against the other event ticketing platforms we grade, on value, the free plan, features, ease of use and platforms.

7 **Keep it**

Best for ticketing for events in Southeast Asia

Ticketmelon sells tickets and registrations for events in Thailand, Malaysia, Singapore and nearby, with box office, mobile point of sale, streaming and branded microsite products alongside. We could not find a readable page with its fees, so you cannot tell what it costs until you ask.

TOOLGPA REPORT CARD	Ticketmelon	Graded Nov 13, 2026

SUBJECT	GRADE	COMMENT
Value for money	C	No price is published, so it sits in the middle by default. The fee page and help centre did not load when the listing was checked.
Free plan and trial	F	No free plan and no trial are listed on the pages read, so nothing can be tried without paying.
Features	C	Online ticketing and registration, box office, mobile point of sale, cashless payments, streaming and a white-label microsite. The listing gives no detail on reporting or seating, so we cannot call it complete.
Ease of use	C	No rating on record. The solution list implies setup across several products for an event.
Platforms and integrations	C	Web tools only. No native apps are listed and no integrations or API are named.
Grade point average		Weak, out of 4.0 **1.6**

An A is worth 4 points, a B 3, a C 2, a D 1 and an F nothing. The GPA is the average of the five.

Who Ticketmelon is for

- ✓ Fits if you sell tickets in Thailand, Malaysia, Singapore or Vietnam and want local e-wallets and bank transfer
- ✓ Works for festivals and concerts that also take payments at the door

Who it is not for

- ✗ Skip it if you need to see fees before you commit, as none are published
- ✗ Not for you if you need an app on your phone, since only web tools are listed
- ✗ Watch out: its help-center pages and a pricing link on the organizer site did not load
- ✗ Too light for events outside Southeast Asia, which is where its payment methods and teams are
- ✗ Tight if you want integrations: none are named on the pages read

Good to know

Good for

- ✓ Organizers selling tickets to audiences in Southeast Asia
- ✓ Concerts, festivals and fan meetings needing local payment methods
- ✓ Events that want a branded microsite for ticket sales

Worth knowing

- ⓘ Fees could not be confirmed from a page that was readable in this check, so pricing is recorded as unverified.
- ⓘ Its help-center pages and a pricing link on the organizer site did not load, so check the current fee before you commit.
- ⓘ The product pages describe web-based tools; no native apps were listed.

What it costs

Every plan, the free plan, ways to pay less and how prices have moved

Ticketmelon's current pricing could not be confirmed from its own site.

> **No price is published, so it sits in the middle by default.**

Where it stands

Its grades against its category, and whether to keep it or make your own

0/79

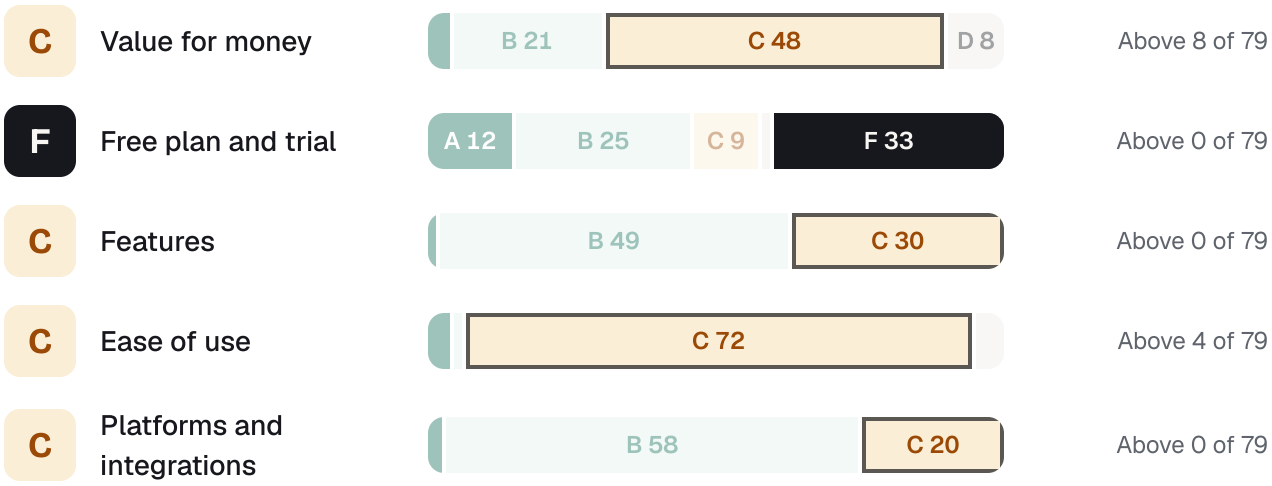

Other event ticketing platforms it is graded above

Ticketmelon's GPA of 1.6 is higher than 0 of the 79 other event ticketing platforms we grade, and level with 6.

It stands best on value for money (C, above 8 of 79) and worst on free plan and trial (F, above 0).

Keep it, or make your own?

Whether this is something you could build for yourself with an AI app builder, and what you would give up.

Keep it

The plain part of Ticketmelon you could make: forms. What surrounds it you could not. The 1 things listed below take a company, not a weekend.

That makes this kind of software worth paying for, not this one in particular: 73 of the 79 other event ticketing platforms grade higher.

What you could make

- Forms: an app builder makes this well.

What you could not

- Selling tickets and checking them at the door.

What this rests on. Ticketmelon's listing: what it does, where it runs, what it plugs into and what it costs. It is a judgement about the kind of software this is. We have not built a replacement for it, and making your own means looking after it too. How we decide, and every tool's verdict.
