Who made this guide, what else is on the site, and how to cite it

ToolGPA put this guide together from Verizon One Talk's own pages, its app-store listings and our grades. Every fact in it is on Verizon One Talk's page too, where it is kept up to date. Checked Nov 13, 2026.

Welcome

What it is, who it suits, its grades and the ten things to know first

2.0

GPA, above 28 of the 77 other business phone systems we grade

Verizon One Talk gives a business one number that rings on desk phones, mobile phones, tablets and computers. It is sold to Verizon Business customers in the US, with an auto receptionist, call queues and hunt groups.

To get you started, here are **8 things to know about Verizon One Talk**, taken from its own pages and our grades.

> "
>
> **No store rating on record, and the package is built by a representative.**
>
> From our grade for ease of use

1 **Best for a business number across desk and mobile phones**

Verizon One Talk puts one business number on desk phones and apps and adds a receptionist and queues.

2 **What it costs**

Paid plans start at $20 per line, billing period not stated.

3 **It runs on 3 platforms**

iOS, Android and Windows.

4 **One business number**

Calls from any device can display the primary business number, and an existing mobile or landline number can be ported in.

5 **Auto receptionist and queues**

Automated receptionist, hunt groups, call queue and visual voicemail for routing calls to the right person.

6 **Mobile and desktop apps**

The One Talk mobile app needs iOS 13 or later or Android 8 or later, and the desktop app requires Windows 10 or later.

7 **A 2.0 GPA, above 28 of 77**

That is against the other business phone systems we grade, on value, the free plan, features, ease of use and platforms.

8 **Keep it**

To replace Verizon One Talk you would be making phone numbers and calls carried over the phone network. That is not a weekend's work, with an AI app builder or without one.

Verizon One Talk at a glance

PRICING Paid, from $20 per line, billing period not stated	FREE PLAN No
FREE TRIAL None stated	RUNS ON Windows, iOS, Android
MADE BY Verizon	CATEGORY Business Phone Systems
OUR GRADE 2.0 GPA, fair	STORE RATING 4.4 on the App Store, 17,760 ratings

The report card

Best for a business number across desk and mobile phones

Verizon One Talk puts one business number on desk phones and apps and adds a receptionist and queues. It starts at $20 a line with no billing period stated, and it's sold only to Verizon Business customers in the US.

TOOLGPA REPORT CARD

Verizon One Talk

Graded Nov 13, 2026

SUBJECT	GRADE	COMMENT
Value for money	C	$20 a line starting price, next to the category's $19 middle. The page doesn't say whether it's monthly, and a representative builds the final package.
Free plan and trial	F	No free plan and no free trial is offered on the pages we read.
Features	B	One business number, auto receptionist and queues, simultaneous ring, desk phones and apps, with nothing missing from the core phone job on the page.
Ease of use	C	No store rating on record, and the package is built by a representative.
Platforms and integrations	B	iOS, Android and a Windows desktop app. No Mac app is mentioned.

Grade point average — Fair, out of 4.0 **2.0**

An A is worth 4 points, a B 3, a C 2, a D 1 and an F nothing. The GPA is the average of the five.

Who Verizon One Talk is for

- ✓ Fits if you already buy from Verizon Business and want one number on every phone
- ✓ Works for US offices that want desk phones and apps on one line

Who it is not for

- ✗ Skip it if you aren't a Verizon Business customer, as it's offered to them in the US only
- ✗ Watch out: $20 is a starting figure with no billing period or contract terms
- ✗ Not for you if you use a Mac, since only a Windows desktop app is mentioned
- ✗ Pricey if you want a price in advance, since a representative sets the package

Good to know

Good for

- ✓ Verizon Business customers that want office and mobile phones on one number
- ✓ Small teams that want a hosted phone system bought with their mobile plan

Worth knowing

- ⓘ Available to Verizon Business customers in the domestic US only, per the FAQ.
- ⓘ The $20 per line is a starting figure; the page says a representative builds the final package.
- ⓘ The page does not say whether the price is monthly or what contract terms apply.
- ⓘ The Windows desktop app is listed; no Mac app is mentioned.

What it costs

Every plan, the free plan, ways to pay less and how prices have moved

$20

To start

Verizon One Talk is a paid product, starting at $20 per line, billing period not stated.

> **The page doesn't say whether it's monthly, and a representative builds the final package.**
>
> From our grade for value for money

ONE TALK

$20

per line, billing period not stated

Starting price per line; a One Talk representative customizes a package, so it is sold through sales.

Read from verizon.com on Nov 13, 2026.

What it does

Its main features, where it runs, what it works with and who makes it

3

Places it runs: Windows, iOS and Android

Business phone service that extends one number across devices. Here is what it does, as its own site describes it, and what it covers: workflow automation, business phone line.

One business number

Calls from any device can display the primary business number, and an existing mobile or landline number can be ported in.

Auto receptionist and queues

Automated receptionist, hunt groups, call queue and visual voicemail for routing calls to the right person.

Mobile and desktop apps

The One Talk mobile app needs iOS 13 or later or Android 8 or later, and the desktop app requires Windows 10 or later.

Simultaneous ring

Calls ring on several devices at once so a call can be answered on whichever is nearby.

Desk phones

Verizon sells One Talk desk and conference phones, including LTE models with a built-in battery.

Any carrier's phones

The FAQ says the service works on mobile devices from Verizon or other carriers.

Where it runs

Windows · iOS · Android

What it works with

Its own pages name no integrations.

Verizon One Talk is made by Verizon.

PART 04 · STANDING

Where it stands

Its grades against its category, and whether to keep it or make your own

28/77

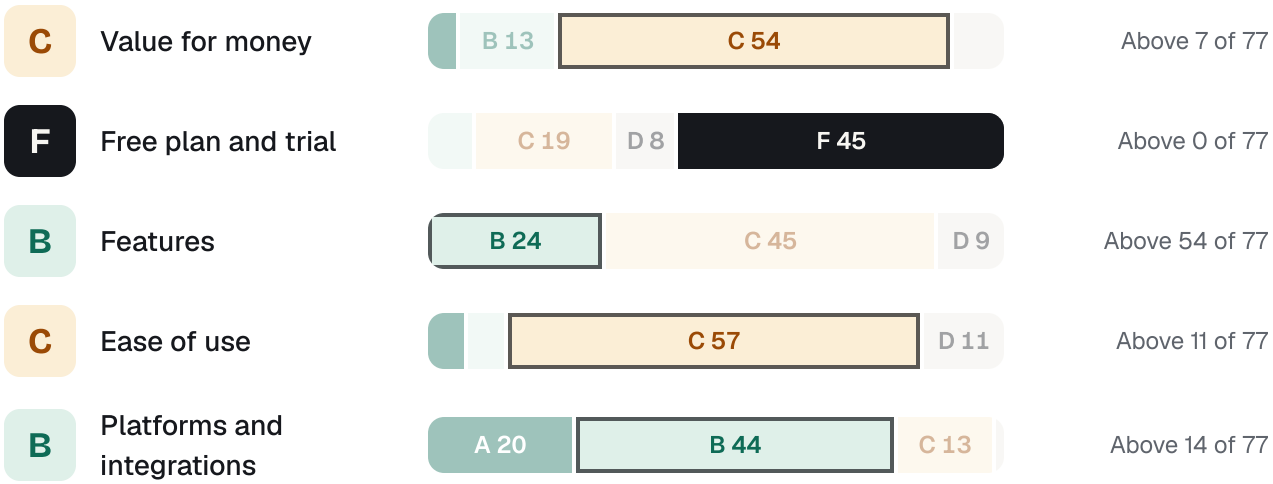

Other business phone systems it is graded above

Verizon One Talk's GPA of 2.0 is higher than 28 of the 77 other business phone systems we grade, and level with 18.

It stands best on features (B, above 54 of 77) and worst on free plan and trial (F, above 0).

Each grade against the category

Every bar is all 78 business phone systems we grade, cut by the letter each got. Verizon One Talk's own letter is outlined.

Keep it, or make your own?

Whether this is something you could build for yourself with an AI app builder, and what you would give up.

Keep it

To replace Verizon One Talk you would be making phone numbers and calls carried over the phone network. That is not a weekend's work, with an AI app builder or without one.

What you could not

- ✕ Phone numbers and calls carried over the phone network.
- ✕ Connections to other products, each kept working as those products change.
- ✕ Apps for Windows, iOS and Android that stay in step with each other.
- ✕ The depth: we grade its features B, which means it covers the whole job.

What this rests on. Verizon One Talk's listing: what it does, where it runs, what it plugs into and what it costs. It is a judgement about the kind of software this is. We have not built a replacement for it, and making your own means looking after it too. How we decide, and every tool's verdict.
